Mr. Shuji Bon Yagi

On December 15, 2018 thousands of children from the East Village once again gathered at the schoolyard on E. 5th Street across from the 9th Precinct eagerly awaiting their turn to meet Santa Claus. With excitement growing with each step closer and their joy as they got to sit on Santa's lap, each child left the yard with an armful of toys. This scene played out all morning and into the afternoon, all made possible by your most generous donation.

We cannot thank you enough for caring about our community and helping to make this event and all our community events possible throughout the year.

It is partners such as you that make the East Village such a special place to live and work. Again, we thank you for your generosity because without you, events such as this would not be possible.

We wish you and your loved ones all the best for the upcoming year and hope to see you at all our community events throughout the year.

Sincerely,

Neil Barsky

President
